

Hi Blue Class

How are you all?

I'm not really at the beach! It's very quiet in my house so I am missing having 30 monsters around. I have still been doing work for school online, my garden and keeping fit. Hopefully you are all doing press ups and sit ups and maybe some of you have been doing gonoodle (know how much you like baby shark!).

You should be keeping a diary so that when we get back to school I know what you have been doing (then I won't make you do a recount about your time off!).

When you have read a book it would be good to see a review of the book to include; Name of the book, author, who were the main characters? What was the best part of the story? A picture would also be nice.

In maths we were looking at 2d and 3d shapes so go for a shape hunt in your house what are the properties for 2d and 3d shapes for example; with 2d shapes how many vertices (corners) sides? Are they straight or curved? With 3d shapes; how many faces? How many edges? How many vertices? What are the most common shapes that you can find in your house? Why do you think that is? Don't forget to count forwards and backwards in 2s, 3s, 5s and 10s. See if you can help your parents to make some cookie that involves lots of maths, measuring, time etc.

If you can get some cress seeds do an experiment to see under what conditions seeds germinate. Put some in a dark place with water and without water. Put some in a light place some with water and some without. Use some kitchen roll to plant the seeds (I know how precious toilet paper is!)

Whilst the weather is good why don't you draw/ paint a picture of your view from your bedroom?

In computing look at 2 code and try the air traffic control. see how far you can get. I will be setting up activities for you and will be able to see your work soon.

We would have been working on The Iron Giant by Ted Hughes after the holidays. If you could get a copy and get someone to read it we will can get you to do some work using the book.

Anyway, keep safe and look after your mum and dad.

Hazie
